**LAUDERDALE LAKES, Fla.** -- Police said a local security guard thought he had a foolproof plan to rob his place of work.

He allegedly changed out of his security guard uniform, wrapped a shirt around his face and then robbed one of the stores he had been hired to protect.

Police said the man caught on camera is Alfonso Allen -- a security guard at Lauderdale Lakes Shopping Center.

The 21-year-old allegedly grabbed a handgun and terrorized two employees at Bare Feet Shoes before grabbing a bunch of cash and running out the door.

Police said that after the robbery, Allen showed up in uniform and told deputies he'd saw the robber running out of the store.

Investigators ran the license plate number of the suspect's car, and they said it led them straight to Allen.
